Reference for: Introduction to Biblical Counselling

REFERENCE by Senior Ministers, Senior Pastors, or equivalent

This 3 day foundational level course introduces people to a biblical framework for pastoral care and counselling and gives basic insight and skills for helping others. This level does not make people competent to counsel – more formal training through our longer counselling courses would be necessary for this. **NB Referee cannot be a close relative of the applicant.**

If after reading the information required below you are unable or unwilling to act as a referee please proceed no further and contact Berit Christian Counselling and Training on 07816945241.
